Hiya, You might be moving to Mobile Alabama? When? You know you will have three Weres within easy driving distance when you arive. Ashwolf and Wind King will be in your back yard aproxamately. I only live a couple of hours away. That is not to mention Mokele and Howlie in Fla. Let me know if you do move down here. The more the Wereier I always say. Cat Actually, I believe jungle cats are held in higher esteem. Whereas one can hardly take a kid out in public, tigers add panache and savoir faire to any social occasion. ~Hobbes.
