
2008 calendar templates Merge 2007 Word Calendar events to a 2008 Word calendar template

Posted by Brent Havens - 2008/06/25 21:45

Is there a simple way to copy/transfer the special events that were added as text from a 2007 Word Calendar to a 2008 Word Calendar? The Word Calendars were created from the online calendar templates. Thanks.
